### Inclement Weather Digital eLearning Days

eLearning Days—If it is necessary to close school on a day of inclement weather, students will make the day up through asynchronous Digital eLearning. Should SC stop allowing schools to use Digital eLearning Days for inclement weather, we will make up days on June 5, 6, and 7.

Students have 5 days from the inclement weather day to complete their assignments. Students who turn in work past the 5th day will be marked absent for that day.
